CHOATE'S IP INSIGHTS PODCAST | 02.11.2026

Freedom to Operate Considerations for Investors, Acquirers, and Licensees

In this episode of Choate's Intellectual Property Insights podcast, Michael Shinall, Melissa Adams, and Margo Monroe continue to discuss IP due diligence from the perspective of potential investors, acquirers, and licensees, with a focus on the critical and complex process of freedom to operate analysis to identify the risk of third-party patent claims.
