Marlabs Acquires Data Consulting Firm Onebridge

Choate represented Marlabs, a digital solutions company and portfolio company of BV Investment Partners, in its acquisition of Onebridge, a full-lifecycle data consulting firm serving some of the largest healthcare, life sciences, manufacturing, financial services, and government entities in the U.S. The acquisition is a significant step for Marlabs in its journey to enhance its data analytics consulting and execution expertise, and will accelerate its growth in AI and data analytics space. Marlabs has been growing rapidly in recent years and adding Onebridge will help the company explore opportunities across industry verticals such as manufacturing, retail, telco, media, and financial services.
