

Jason J. Port

Staff Attorney

T +1 (617) 248-5182 | jport@choate.com

Jason Port has over 15 years of experience working with high net worth individuals and families to grow and protect their estates by representing them in all aspects of estate planning, charitable planning, and estate and trust administration. He has particular experience in designing comprehensive estate plans to achieve clients' goals including revocable and irrevocable trusts, and helping clients to reach their philanthropic aims through private foundations and charitable trusts. Jason also specializes in auditing tax exposure and implementing tax minimization strategies and financial protection plans for both individuals and families.
