Boston College
BA, 2009, *magna cum laude*

Kevin Quigley is a member of Choate's Litigation Department. He focuses his practice on intellectual property litigation – particularly trade secret litigation – as well as a wide range of other complex trial and appellate work.

PRACTICE FOCUS

Intellectual Property Litigation

Complex patent infringement and trade secret litigation within the technology, software and life sciences industries.

Trade Secret Litigation

Representation of public and private companies in all aspects of trade secret protection and litigation—from plaintiffs seeking to protect proprietary information to defendants accused of misappropriation—across a broad range of industries and technologies.

Complex Trial and Appellate Litigation

Representation of individuals and leading corporations in complex commercial litigation.

REPRESENTATIVE ENGAGEMENTS

- Represented world-leading data storage company in several cases relating to former key employees who left company to found commercial rival using stolen trade secrets.
 - Represented content delivery network in patent litigation regarding multimedia streaming technology.
 - Represented enterprise computing company in lawsuit regarding software development contract with state government.
 - Represented major pharmaceutical company in contract action alleging breach of patent licensing agreement.
-
