Life Sciences & Technology Companies

PRACTICE FOCUS

Mergers & Acquisitions

Structuring and negotiation of domestic and cross-border mergers and acquisitions, and other corporate and partnership financing transactions and restructurings.

International Tax

Advising on the tax aspects of cross-border mergers and acquisitions, post-acquisition integration, operational structuring and general international tax planning matters.

Fund Formation

Structuring of private equity, venture capital and other investment vehicles, both domestic and offshore, including review and negotiation of fund operating agreements, offering memoranda and side letters.
