Brenda Jarrell Moderates Investors Roundtable at Life Sciences Due Diligence Summit

Brenda Jarrell will moderate the Investors Roundtable at the 6th Annual Summit on Life Sciences IP Due Diligence on Tuesday, November 28 at 8:45 a.m.

The roundtable, “Navigating the Shifting Tides of Pharma and Biotech Investments: Unraveling Market Dynamics and Strategic Insights for Success,” will discuss the intricacies of market dynamics and the constantly evolving pharmaceutical and biotech investment climate. By delving into these nuanced topics, attendees will become equipped with a deeper understanding of market dynamics, investment climate challenges, and strategic considerations essential for successful investments in the pharmaceutical and biotech sectors.
