# Brenda Jarrell to Moderate at the 2026 Consero IP Life Sciences Executive Roundtable

Dr. Brenda Herschbach Jarrell will moderate the panel, "Navigating IP Challenges Across the Innovation Lifecycle: From Lab Bench to Market Launch," at the [Consero IP Life Sciences Executive Roundtable](#) on March 12, 2026, at The Ritz-Carlton, Boston.

The presentation will take place from 9:30 – 10:20 am and will explore the key intellectual property considerations that arise as innovations move from early-stage research through commercialization. Panelists will discuss strategies for protecting new inventions, managing research and industry collaborations, and ensuring freedom-to-operate in increasingly competitive markets.
