# Brian Reese Moderates and Brenda Jarrell Co-Chairs at IP Life Sciences Executive Roundtable

Brian Reese will moderate the panel, “Managing Complex IP Portfolios,” and Brenda Jarrell is the conference co-chair at the 2025 Consero IP Life Sciences Executive Roundtable on Thursday, March 13th.

The panel will discuss effective internal processes for managing an IP portfolio that balances emerging and existing innovations, as well as strategies to try and to avoid, and what issues may arise in your portfolio in the coming year.
