Brian Reese to Co-Present IP Boot Camp at UMaine Research to Real World Commercialization Series

Brian Reese will co-present an Intellectual Property Boot Camp at the University of Maine's From Research to Real World Commercialization Series on April 18th. Brian will be co-presenting the webinar with Janet Yancey-Wrona, UMaine's Technology Business Development Manager for the Office of Strategic Partnerships, Innovation, Resources and Engagement (SPIRE).

The IP Boot Camp, which begins at 4:00 PM EST, will explore the different types of intellectual property and key steps in evaluating and protecting IP, as well as how protecting IP helps to foster innovation and R&D by ensuring that inventors can reap the benefits of their work.
