CHOATE'S IP INSIGHTS PODCAST | 01.30.2023

Challenges in Using Experts to Perform Experiments to Establish Inherency at PTAB Proceedings

In this episode of Choate's Intellectual Property podcast series, Eric Marandett and Michael Shinall discuss the nuances and challenges related to using experts to perform experiments when proving inherency during PTAB proceedings. The conversation highlights two recent PTAB cases that illustrate avoidable pitfalls when using an expert to recreate an experiment and then serve as a witness when establishing this kind of evidence.
