# Choate Hosts Patent and IP Career Exploration Reception

We welcome all graduate students and post-docs with specialties in Biology, Chemistry, or Engineering, who are interested in exploring a Patent Law career to join us for a reception at our offices on Thursday, November 3, 2022 from 6:00 p.m. – 8:00 p.m.

Come meet Partners, Associates, Patent Agents, and Staff Scientists from our Firm and learn how their science expertise translates into a career in Intellectual Property.

*Space is limited – please respond to Fiona Pereira by October 20th, 2022.*
