Choate Represents Denovo Ventures in Acquisition by Argano

Choate represented Denovo Ventures, a portfolio company of MIC Partners, in its acquisition by Argano, a global specialist consultancy backed by Trinity Hunt Partners. Denovo Ventures is a digital transformation and managed services provider with a specialized focus on Oracle ERP infrastructure, cloud migration, and enterprise system support. Established in 2003, Denovo is a trusted partner to organizations running Oracle and JD Edwards (JDE) platforms, and this acquisition will enable Argano to expand its ability to deliver end-to-end transformation across Oracle cloud applications and infrastructure.
