Choate Represents Imagenet, a BV Investment Partners Portfolio Company, in its Acquisition of Analytica Consulting

Deal Team: Dan Riley, Theo Brothers, Michael Sands, Aspen Schneider, Kevin Sarro, Kevin Jarboe, Dave Mollo-Christensen, Alison Reif, Elizabeth Powers, Sara Frank, Ben Owens, Nicholas Calabraro, Ankoor Desai, Camil Miki Zaganjor

Choate represented Imagenet, a BV Investment Partners portfolio company, in its acquisition of Analytica Consulting, a California-based data consulting firm specializing in data engineering, analytics, artificial intelligence, data science, visualization and data governance. Imagenet is a technology-forward healthcare operations partner for payers, and this acquisition expands Imagenet's data and AI capabilities while adding specialized expertise that complements the company's existing healthcare technology, intelligent automation and operational services. Together, the organizations will be positioned to help clients not only process and manage critical operations, but also better understand their data, identify opportunities for improvement and increasingly apply analytics and AI to drive smarter, more measurable outcomes.
