# Choate Represents New Heritage Capital in its Sale of Portfolio Company Stratus to Infosys Limited

Choate represented New Heritage Capital and Stratus, an insurance IT provider and portfolio company of New Heritage, in the sale of Stratus to Infosys Limited. Infosys, a multinational technology services company with more than 325,000 employees worldwide, will leverage Stratus' deep expertise in property and casualty insurance technology solutions to accelerate AI-powered digital and data transformations for insurers using the Guidewire platform.
