Choate Represents Serent Capital in Investment in Casino Cash Trac

Choate represented Serent Capital in its strategic minority investment in Casino Cash Trac (CCT), a leading provider of enterprise software solutions for casino operations and revenue audit automation. CCT currently serves over 300 casinos across the United States, Canada and the Caribbean, and helps operators streamline financial workflows and reduce audit-related labor costs. Serent's investment will support CCT's next phase of growth focused on production innovation and market expansion, and builds on its track record of partnering with high-growth software companies in the hospitality and leisure technology space.
