# Choate Represents Serent Capital in Strategic Partnership with StockIQ

Choate represented Serent Capital in its strategic partnership with StockIQ Technologies, a leading provider of supply chain planning software for manufacturers and distributors. Founded in 2015, StockIQ delivers a modern, cloud-based platform purpose-built for demand forecasting, inventory planning, supplier performance, and promotion management. As supply chains grow more complex amid global disruptions, shifting tariffs, and evolving customer expectations, StockIQ's platform has become a mission-critical solution for mid-market supply chain teams. Serent's deep expertise in scaling technology and software businesses will help StockIQ to accelerate its product innovation, expand market reach, and deepen engagement with its growing customer community.
