Christine Savage to Provide Research Security Update at NCURA Pre-Award Research Administration (PRA) Conference

Christine Savage will provide a research security update at the NCURA 2025 Pre-Award Research Administration (PRA) Conference on Friday, March 21st.

The panel, “2025 Research Security Update- Assessing Agency Progress on Implementation of the Final Research Security Program Guidance & Recent Enforcement Trends” will provide an update on the implementation of the Final Research Security Program Guidance from OSTP, (hopefully new) NIST cybersecurity standards for research organizations, and the ever-evolving enforcement landscape.
