Daniel Brutti Speaking on Boston Bar Association IP Basics Webinar

Daniel Brutti will be speaking on the Boston Bar Association webinar, "IP Basics: Trade Secrets 101," on Thursday, May 28, 2026, from 12:00 PM to 1:00 PM.

The webinar will cover the fundamentals and practical considerations of trade secrets law in litigation. Designed for law students and new lawyers, as well as experienced practitioners who do not regularly work in intellectual property, the session will provide an accessible overview of key legal principles and real-world applications.
