# Diane Seol to Speak on Panel Featuring Former Prosecutors at Pharmaceutical Compliance Congress

Diane Seol will speak on the “Former Prosecutors Panel – Interpreting the Latest DOJ Actions and Investigations” at the Pharmaceutical Compliance Congress (PCC) on Tuesday, April 28, 2026 at 11:30 a.m. The conference will take place from April 27–29, 2026.

The panel will feature former prosecutors offering firsthand perspectives on recent U.S. Department of Justice enforcement activity impacting the pharmaceutical industry. Discussion topics will include the latest developments from DOJ, updates on health care fraud and Foreign Corrupt Practices Act (FCPA) enforcement, DOJ guidance to prosecutors and its significance for pharmaceutical companies, and the current state of False Claims Act litigation.
