Emily Hodge Speaking at 2023 Compliance Congress for Specialty Products

Emily Hodge is moderating the panel “Prosecutor Perspectives: Focal Points, Top Enforcement Trends and Priorities for Specialty Pharma and Biotech Companies in 2023” at the Compliance Congress for Specialty Products on Wednesday, September 20th from 9:30 a.m. – 10:30 a.m.

The panel will explore recent settlements and investigations involving specialty pharmaceutical companies, and hear from government regulators and outside counsel who are spearheading the charge against healthcare fraud, as well as discuss the key issues impacting the industry.

More information can be found [here](#).
