Eric Marandett Speaking at PLI Depositions Fundamentals 2025 Program

Eric Marandett will be a panelist at the PLI Fundamentals of Taking and Defending Depositions 2025 program on Tuesday, March 4th. The panel, "Strategies for Handling Virtual Depositions," will review how remote depositions are different from in-person depositions, how to select the right vendor and develop a remote deposition protocol, and best practices for ensuring a smooth remote deposition and accurate record.
