

CHOATE'S IP INSIGHTS PODCAST | 01.14.2026

IP Due Diligence for Investors, Acquirers and Licensees

In this episode of Choate's Intellectual Property Insights podcast, Michael Shinall, Melissa Adams, and Margo Monroe discuss IP due diligence from the perspective of potential investors, acquirers, and licensees. Topics will include how protection, ownership and control, and freedom to operate play a crucial role in the diligence process, as well as insights into risk mitigation and how to effectively use outside counsel when performing diligence.
