

CHOATE'S EXAMINING PATENTS PODCAST | 02.13.2025

Issues Around Article 4 of the Paris Convention

In this episode of the Examining Patents Podcast Series, Stephanie Schonewald and Michael Shinall discuss issues impacting compliance with Article 4 of the Paris Convention, a critical provision for establishing and maintaining the priority date of your patent application. We revisit how the provisions of Article 4 work, and how to avoid potential missteps that could lead to losing a priority claim entirely.
