# Kim Kaplan-Gross Moderating at 2026 YPOG PE Legal Conference

KimKaplan-Gross will moderate the panel, “Show Me the Metrics! What Institutional LPs Expect and How GPs Can Deliver,” at the annual YPOG PE Legal Conference in Berlin, Germany on Wednesday, June 10, 2026 at 3:00 PM.

The panel will explore what it takes for general partners to attract and retain institutional investors in an increasingly sophisticated European private equity market. As the European ecosystem continues to mature, GPs face mounting expectations around track record transparency, operational sophistication, regulatory readiness, and narrative clarity. The discussion will examine the essential criteria and potential red flags that limited partners assess prior to committing capital, providing candid insights and practical guidance tailored to both emerging and established European managers seeking to compete on a global institutional stage.
