Lydonia Technologies Secures Investment from Caltius Equity Partners

Choate represented Lydonia Technologies, a leading provider of AI-powered hyperautomation software and solutions, in its investment from Caltius Equity Partners. This investment will enable Lydonia to accelerate the development of AI-powered capabilities that streamline processes, enhance decision-making, and drive continuous improvement—all while ensuring the highest levels of security and compliance.

Founded in 2019, Boston-based Lydonia has grown quickly by helping its customers leverage AI-powered hyperautomation to analyze, automate, simplify and innovate their operations. Lydonia has expertise across multiple hyperautomation solutions and is a UiPath Platinum Partner, an Automation Anywhere Platinum Partner and an Alteryx Premier Solutions Provider.
