# M/C Partners Announces Growth Investment in AccessParks

Choate represented M/C Partners in a significant growth investment in AccessParks, which provides high-performance broadband connectivity to RV parks, national and state parks, and manufactured housing communities across the United States. This investment will drive innovation and growth by bringing new broadband solutions to the outdoor hospitality and manufactured housing markets, as well as provide capital for strategic acquisitions. M/C Partners operates primarily within the digital infrastructure and technology services sectors, with a focus on small and mid-sized businesses, and has invested \$2.4B in over 140 companies for over three decades.
