Melissa Adams Speaking at 2024 IPWatchdog Women's IP Forum

Dr. Melissa Adams will join the panel "Building a Successful Career in IP" at the IPWatchdog Women's IP Forum on Monday, August 26, 2024 at 10:30 a.m. EST. The panel includes Melissa and three other women who have each taken a different path into the IP industry, and who will share the challenges they have overcome, their accomplishments, lessons they have learned, and their industry outlook.

More information about the Forum can be found here.
