Michael Bunis to Moderate at 2023 Consero IP Life Sciences Forum

Michael Bunis will moderate the panel, "Keeping Litigation and Prosecution Aligned," at the Consero IP Forum for Life Sciences on Monday, December 4, 2023.

The discussion, which is scheduled for 2:30 p.m. PST, will focus on understanding how the line of communication between litigator and prosecutor is pivotal to successful asset management, and will include best practices for keeping communication open and productive to ensure that all parties are informed of decisions and day-to-day operations.

The conference will take place at the Four Seasons Hotel in Westlake Village, California. More information can be found here.
