Mission Cloud Services, a Great Hill Partners Portfolio Company, Acquired by CDW

Choate represented Great Hill Partners and its portfolio company, Mission Cloud Services Inc., in the sale of Mission to CDW (NASDAQ: CDW), a leading multi-brand provider of information technology solutions to business, government, education and healthcare customers in the United States, the United Kingdom and Canada. Mission is a leading born-in-the-cloud managed services and consulting provider, offering end-to-end cloud services, innovative AI solutions, and software for Amazon Web Services customers.

Great Hill Partners initially invested in Mission in 2017 and purchased and invested in three technology companies from 2017-2019 to bolster the Company's standing in the industry. Under Great Hill's ownership, Mission has become the largest independent AWS managed services company in the United States.
