Riverside Partners Invests in Net32

Choate represented Riverside Partners in its investment in Net32, a North Carolina-based online marketplace for purchasing dental supplies. Net32 leverages proprietary technology to aggregate vendor and manufacturer catalogs into a database of hundreds of thousands of product listings that enable dental professionals to compare pricing easily and transparently. Riverside's investment will support Net32's innovation, help vendors continue to grow their businesses, and enhance the purchasing experience for customers.
