Rolando Medina to Moderate Panel on Market Exclusivity at the 2026 LSPN North America Spring Conference

Rolando Medina will moderate the panel, “Navigating the Regulatory-IP Nexus: Maximizing Exclusivity in an Evolving Policy Landscape” at the Life Sciences Patent Network (LSPN) Spring Conference on Wednesday, April 29, 2026 at 10:05 AM.

The panel explore how recent FDA guidance, biosimilar challenges, and regulatory exclusivity mechanisms are reshaping patent prosecution and portfolio management, including:

- Strategies for securing and maximizing patent term extensions and regulatory exclusivity periods
- Biosimilar litigation landscape: Defensive strategies and emerging patent challenge trends
- Leveraging orphan drug designations and pediatric exclusivity for competitive advantage
- How evolving FDA guidance is impacting patent prosecution strategies and claim drafting
- Regulatory uncertainty: Adapting your IP strategy to changing agency priorities and standards
