Sara Frank and Diane Seol Speaking at the 27th Annual Pharmaceutical and Medical Device Ethics and Compliance Congress

Sara Frank and Diane Seol will participate in the 27th Annual Pharmaceutical and Medical Device Ethics and Compliance Congress, taking place October 13–16, 2026.

On Wednesday, October 14, Sara will serve as moderator of Mini Summit 3: “Evolution of Patient Finding Activities” at 8:00 a.m. This session will explore new and evolving patient identification activities and examine the legal, compliance, and privacy considerations that may raise.

Later that morning, Diane will speak on Mini Summit 13: “The State of Medical Device Compliance: Annual Industry Roundtable: Med Device” at 10:10 a.m. The panel will bring together industry leaders to discuss current trends, challenges, and developments in medical device compliance.

Please visit the [Compliance Congress agenda and registration page](#) for more information about the conference and program schedule.
