# Sara Frank to Moderate Training Programs Panel at Compliance Congress for Specialty Products

Sara Frank will moderate the panel, "Developing High Impact Training Programs as Culture and Working Practices Evolve in Specialty Pharmaceutical Firms," at the annual Compliance Congress for Specialty Products on Wednesday, September 25, 2024 at 4:00 p.m. The panel will focus on how to create more engaging and targeted training programs tailored to the needs of your workplace's needs and culture. The discussion will also highlight methods for promoting and tracking training program initiatives.
