Sequoia Consulting Group, Riverside Partners Portfolio Company, Acquires 42 North Solutions

Choate represented Sequoia Consulting Group, a Riverside Partners portfolio company, in its acquisition of 42 North Solutions. 42 North supports capital project execution and management, technical operations, and facilities management needs of pharmaceutical and biotechnology clients. The acquisition expands Sequoia's geographic presence to the East Coast, adds facilities management capabilities, and brings additional depth to Sequoia's process, automation, and project engineering service offerings.
