Sophie Wang Speaking at Opening Session of ACI Women Leaders in Life Sciences Law

Sophie Wang is speaking at the opening session of the ACI Women Leaders in Life Sciences Law Conference on Wednesday, July 26th. The panel, "Year in Review: A High-Level Look at the Most Significant Legislative, Enforcement and Policy Developments Influencing Life Sciences IP, Products Liability and Compliance in 2023," will take place at 8:45 a.m. and intends to set the stage for the conference with an exploration of the most influential developments impacting life sciences IP, products liability and compliance in 2023, as well as how these latest developments will impact your future practices.

The conference is currently sold out, but you can find more information and register for the wait list here.

Sophie F. Wang
Co-Head of IP Litigation
