Stephanie Schonewald Named 2022 Top IPR Attorney

Stephanie Schonewald has been named a Top IPR Attorney of 2022 by Patexia Insights. Recognition on the list reflects that an attorney was in the top 6% out of 5,626 attorneys based on their IPR performance and activity in the Patexia 2022 IPR Intelligence Report.

A partner, Stephanie advises clients involved in contentious patent scenarios. She has handled a variety of third party submissions, protests, and post-grant proceedings before the United States Patent and Trademark Office (USPTO), and has worked on over 55 inter partes review, post grant review, and covered business method review proceedings before the Patent Trial and Appeal Board (PTAB).

The 2022 IPR Intelligence Report is the sixth in an annual series covering the IPR proceedings landscape that took place during the last five years. This report provides high-level statistics related to all parties involved, cases, patents, and claims. The report also evaluates and ranks IPR firms, attorneys, companies, and judges based on their activity and performance.

Patexia is the globe's largest online community for intellectual property professionals – with thousands of patent attorneys, patent agents, scientists and inventors as members – offering services such as a crowd search platform for IP due diligence, research tools for patent and law suit data, and insights with data-driven rankings and analysis of the IP sector from all possible angles.
