# Stephanie Schonewald Speaking at PTAB Bar Association Program Committee Webinar

Stephanie Schonewald will be speaking at the PTAB Bar Association Program Committee Webinar on the panel, "Notice of Proposed Rulemaking – Motions to Amend."

The webinar, which is a continuation to the PTAB Bar Association's webinars examining the ANPRM and the USPTO's proposed sweeping rule changes for PTAB practice, will take place on Wednesday, April 3 at 4:00 p.m. The panel plans to discuss options for preliminary guidance and revised MTA; use of discretion by the Board; burdens for Petitioner, PO, and the Board; and the interplay with ex parte post-grant proceeds (reexam and reissue).
