Sunstone Partners Makes Growth Investment in Accuhealth

Choate represented Sunstone Partners, a growth-oriented private equity firm focused on tech-enabled services and software companies, in its investment in Accuhealth, a leading healthcare technology company offering comprehensive remote patient monitoring and chronic care management solutions encompassing hardware, proprietary software, and clinical monitoring to physician practices and health systems throughout the United States. Sunstone Partners' investment is intended to support Accuhealth's rapid growth and empower the expansion of the company's service offerings.
