CHOATE'S ENFORCEMENT AND INVESTIGATIONS UPDATES PODCAST | 07.13.2023

Trending False Claims Act Cases

In this episode of Choate's Enforcement & Investigations Updates Podcast Series, Emily Hodge and Kristen Perriello discuss recent significant cases and decisions surrounding the False Claims Act – including legal and practical takeaways arising from the Supreme Court's decisions in the SuperValu case and the Polansky qui tam case, as well as the string of differing decisions in the circuit courts relating to the causation element in False Claims Act cases premised on Anti-Kickback Statute violations.
