Understanding IP Ownership and Control in Due Diligence: Essential Insights

In this episode of Choate's Intellectual Property Insights podcast, Charles Lyon, Margo Monroe, and Michael Schmitt explore why understanding intellectual property (IP) ownership and control is essential in today's fast-paced business environment. For investors, acquirers, and licensees, a firm grasp of these fundamentals is critical to accurately assessing the value and security of IP assets during due diligence. This episode will break down the core principles of IP ownership and control, including how to effectively evaluate the title to IP assets during the diligence process.
