DEPARTMENT CHAIR, FINANCE & RESTRUCTURING

📞 617-248-5085 ✉️ jventola@choate.com

John Ventola, Department Chair of Choate's Finance & Restructuring Group, has more than 25 years of experience representing banks, private credit lenders, and distressed investors and helping guide them through a wide range of complex lending and corporate restructuring issues, including Chapter 11 cases and out-of-court workouts. John is a Fellow of the prestigious American College of Bankruptcy.

John's lending experience includes representing financial institutions in complex, multi-tranche financial transactions, including asset based, cash flow, lender finance, second-lien, DIP and mezzanine loans, along with preferred stock and other junior capital investments. John also has deep restructuring experience, having practiced extensively in bankruptcy courts across the country in connection with a range of special situations, including cash collateral disputes, equitable subordination and recharacterization, Section 363 sales, and contested plans of reorganization. He has particular expertise in retail finance and other lending transactions and the heavily-negotiated intercreditor arrangements that are often the key element in successfully completing those financing arrangements.

John is often called on to represent independent directors, boards and special committees of distressed companies in a wide range of industries, including healthcare, consumer product and technology businesses. These representations frequently arise following the exercise of an equity pledge by secured lenders. Working with lawyers across Choate's practice groups, John provides advice on financing and M&A options, claims analysis and internal investigations to assist all stakeholders in maximizing value.

John's clients include Callodine Commercial Finance, SLR Credit Solutions, PNC Retail Finance, B. Riley Financial, Second Avenue Capital Partners, Wells Fargo, Wingspire Capital, Bank of America, and Gordon Brothers.
