Kevin M. Tormey

PARTNER

617-248-4017 ktormey@choate.com

Kevin Tormey has more than 30 years of experience advising private companies across a variety of industries including media, software, information services, and related businesses on their most strategic and important transactions with private equity sponsors. Following these capital inflection points, Kevin is typically retained by the company following its acquisition to provide ongoing corporate governance counsel, enabling him to position the company for future strategic deals.

Kevin also represents leading venture capital and private equity firms in connection with portfolio company transactions, including minority investments, buyouts, and leveraged recapitalizations.

As a former engineer at General Electric, Kevin leverages his training to help clients with intellectual property licensing and transfers and deals involving significant patent portfolios, primarily relating to the mechanical, electro-mechanical, and medical device arts. He is admitted to practice before the U.S. Patent & Trademark Office.
